

Ecomsols is a global partner with various IT agencies, including Sumizan, Kings Knight, Raetek, etc. We offer comprehensive digital solutions to these companies, managing every aspect from inception to the launch of any business they refer. While most of our contractual agencies are based in the USA and Canada, we are also capable of entering agreements with partners from the UAE, UK, Australia, and other European countries.

**KING'S KNIGHT**

## Social Work

We committed to supporting a culture of social responsibility by encouraging and actively engaging our staff in various social activities such as donations, charity programs, tree plantations, and contributions. Additionally, we encourage our staff and team members to support interns by providing necessary tech gadgets such as laptops, smartphones, etc., based on their needs.

Our most active social work is Tree Planation in whole AJK with Green AJK campaigns.

1) One Person One Tree, 2) One Thousand Trees

## Client's Portfolio

### **LAUR SKIN SOLUTIONS™**

The Laur Skin Solutions is the leading beauty brand in the USA, generating an impressive \$30k (US) in sales per month. The Ecomsols team dedicates its best efforts to achieve the highest level of sales.
